

Infants

February 2026

- *Well, we've had a great start to 2026! Some of us got to: make snowman pictures and melted snowmen and make polar animals. If and when it snows again, we will gather some fresh snow for the infants to have a tactile experience with.
- * In February, we will be focusing some of our play and activities on learning about our Five Senses, "taking care of" our teeth, celebrating Valentine's Day, and learning about Community Helpers.
- *Regular reminders to label: bottles, lids, cups and their lids, and food containers/pouches. Also, please check your bags that hang in the hallway...they should not have any chokable items or medicine, including diaper cream in them.

Thank You!
