

## July News 2024

**July 4<sup>th</sup> and 5<sup>th</sup>** our center will be **CLOSED** to celebrate the 4<sup>th</sup> of July!

Now that summer is well under way, we are really getting a swing of things and getting a chance to spend more time with different friends.

We are all enjoying the extra time we get to spend playing outside and all the super cool activities. It is important that we all stay safe this summer, by drinking lots of water to stay hydrated. We are trying to teach our friends about listening to their bodies when they feel over heated.

Reminders: We ask that your child has **sneakers** or shoes with a back for running around. This is for safe play while we are running around outside. Friday's will continue to be **cold lunch days**. Maybe we will get to take our lunch out for a picnic, and this will help make it easier for us.

If you would like your child to have a **family picture** to hang with the rest of their friends we welcome them at any time! (you can send in an updated picture if you would like) Thank you for participating in showing our love for our families!

We appreciate each and every family and thank you for your daily reminders of your appreciation! We care about your children very much, so we ask that you please let us know when they will be absent.
