

Infants

October 2026

*Well, Fall has arrived and with it we start talking about "fall holidays"! September was an exciting month as we learned about apples, talked about our families, how each of us are special, and learned about transportation. We will end September and begin October with a theme on Leaves.

*A few extra special events this month:

-Friday October 16th, the Lyons Fire Company will be here around 9:30 am for all of the children to go outside to see the fire trucks and listen to the Firefighters talk about Fire Safety/Prevention.

-Friday October 30th, we will have our annual "Costume Day". Weather permitting, we will all parade outside. You are welcome to come see/watch. If the weather does not look "good", we will have a parade inside that you can also come see. Time will be announced as the date gets closer. Please send your child's costume along that morning and we will change your child into it at the appropriate time. If your child does not attend on a Friday, you may bring your child in to be here just for the time of the parade; please let a teacher know if your child will be coming for the parade if your child is not contracted for a Friday.

*Logan and Madison will be transitioning to the Toddler Room this month.

* We will welcome some new friends this month: Hazel, Olin and Wyatt.

*Reminders:

-please label all child's things including: bottles, bottle and cup lids, cups, food and formula containers.

-please send in extra clothes that are "weather appropriate"; as the weather gets cooler and your child grows.

-please have a jacket/sweatshirt here as we will continue to go outside as much as we can.

Thank You
