

# INFANTS

## January 2025

\*HAPPY NEW YEAR! It's hard to believe we're in a New Year already. We hope all of you had wonderful/blessed holidays! Looking back on December, we had a lot of fun learning about baby Jesus, the different ways of celebrating Christmas and doing many festive art projects. In January, we will be "creating" a Winter Wonderland and "learning" about Polar Animals. We will finish January with a Five Senses theme.

\***Happy Birthday** to Walker on the 31<sup>st</sup>!

\*Please notice on the calendar...**CCCC is CLOSED** on Monday January 20<sup>th</sup> for a Staff Inservice Day.

\*Regular reminders... to label all of your child's supplies: bottles, lids, cups, food containers, etc. Check your child's diaper bags for any chokable items: plastic bags or baggies, coins, diaper cream(this is not chokable but is considered a medicine by the state), medicine, etc; we are not allowed to have these items hanging in their cubbies in the hallway.

Thank You
