

# January 2022 News

Happy almost New Year 2022! I cannot believe how fast time has gone and that another year has come and gone. Here's to hoping 2022 will be so much better than 2021 and to a month of still writing 2021 instead of 2022.

In December, we will have lots of fun preparing for Santa to come and learning all about different ways to celebrate Christmas. We also have start working on a secret present for Mommy and Daddy that will be going home before Christmas Break.

Don't forget we are closed from Dec. 24<sup>th</sup> through January 1<sup>st</sup> in observation of Christmas and New Year. We will see everyone back bright and early on Jan 3<sup>rd</sup>. I cannot wait to have everyone come back next year and hear all about what Santa brought and how much fun you had over break. Have a very Merry Christmas and a Happy New Year!
