Leap Into Summer Week!

Welcome to the first week of CCCC Summer Camp 2026! Our Leap Into Summer Week is all about kicking off an amazing season of fun, friendship, and adventure.

Throughout the week, campers will participate in a variety of exciting "get-to-know-you" activities designed to help everyone feel comfortable, connected, and ready for a fantastic summer. We'll have opportunities to meet new friends, reconnect with old ones, and build the positive camp community that makes CCCC Summer Camp so special.

As we begin our summer journey together, we'll be learning camp routines, exploring our camp environment, and creating memories that will last all season long. We are excited to see friendships grow, confidence build, and smiles shine throughout the week.

We look forward to a wonderful start to the summer and can't wait to share all the fun and adventures ahead! Here's to an incredible Summer 2026! 

SECURITY SYSTEM UPDATE

The church is currently preparing to upgrade our building's security system. While a timeline for completion is not yet available, work on the project is expected to begin soon.

The new system will provide enhanced security features and greater convenience for families. Once installed, parents will be able to access the building using either a security key or their Brightwheel check-in code.

As we prepare for this transition, we are currently unable to issue new security keys. Therefore, families who do not already have a security key will need to use the front door doorbell and wait for a staff member to grant access to the building.

We apologize for any inconvenience this may cause and appreciate your patience and understanding as we work toward a more advanced and user-friendly security system.

We will share additional information and updates as the project progresses.

Brightwheel App

As camp begins, we would like to remind all families that Brightwheel is our primary communication and management tool for Summer Camp 2026.

Please be sure to use the Brightwheel app for:

- Daily check-in and check-out
- Communication with camp staff and administration
- Camp billing and payments
- Important camp updates and announcements

If you have not already done so, please take a moment to ensure your Brightwheel account is set up correctly and that your child's information and photo are up to date. Using Brightwheel helps us provide a safe, efficient, and well-organized camp experience for all families. Thank you for your cooperation and partnership as we kick off another exciting summer at CCCC Camp!

Joe Corbi's Fundraiser Begins June 8!

Our annual Joe Corbi's Fundraiser kicks off on Monday, June 8 and runs through June 26. This fundraiser helps support our center by providing funds for classroom supplies, educational materials, and special activities for the children.

Fundraiser packets will be placed in parent pockets on the first day of camp, but you can get started right away by registering at FundPrizes.com. Once registered, you can easily share our fundraiser through email, text, social media, and more. Plus, you'll earn coins for chances to win from over \$100,000 in prizes!
