

March News 2024

Wow...it's March already! We had lots of fun in February with our Valentine's party! As we move into March we continue our "Hooray for Books" theme. We will be watching some special read aloud videos during the week and having some special readers!

We are looking forward to our new themes that we will be having in March. We will be learning about St. Patrick's Day, Spring Surprises, and Pond Friends.

On **Monday, March 17th** we will be having a classroom St Patrick's Day party. It will be a day filled with fun St Patrick's Day activities. This party will take place throughout the day and is for our preschoolers and staff only. **Since it is throughout our normal day, only children who are contracted for Monday may attend.** We look forward to celebrating with our preschoolers!

Special days for the month:

March 5th: Stripe Day

March 17th: Green Day

March 20th: PJ Day

Reminder for lunches: If your child has a heatable, please make sure it is in a container by itself so we can heat it up separately from other items in their lunch.
