# October

Fall is in the air! We've successfully made it through one month of the school year as well as learned lots of fun things. We are always so busy in our classroom learning about our themes, letters, numbers, shapes, colors, and many other miscellaneous materials. We also have been talking a lot about proper preschool behavior and how we can show respect to others. As well as learning how to treat others and listen, we have been talking about making good choices for ourselves. These are some topics that are always important to discuss with our friends and show through modeling in our classroom.

In September we learned about my family & I, manners, health and fitness, and ways to get from here to there! We practiced matching, writing, and recognizing A, B, and C as well as 1, 2, and 3. We are all getting so good at our knowing our shapes and colors, so let's keep up the great work.

We will be going to Savidge Farms on Monday, October 10th 2022. There will be another memo with more information.

We will be having our Halloween Party on Monday, October 31st 2022. We ask that you send your child to school that day already wearing as much of their costume as possible and that you send along a change of clothing for afterwards. Please remember that your child/s costume needs to be school appropriate and that toy weapons are not permitted. We also ask that your child brings along a labeled bucket/bag for treats! It is going to be a "spooktacular" party! Parents may attend a parade in the upper parking lot (weather permitting) or the lobby/ social hall. The parade will take place at 9:30am, then the children will be returning to the classrooms for their Halloween party. The Halloween party is children only at this time.

If you would like to send in a treat for your child to hand out, it must be a non-food item. If you would like to bring a food item, please see our special sign up that will be posted 2 weeks before the party, near the check in/out code. We will have 14 children and 3 teachers
