

# INFANTS 2022

HAPPY NEW YEAR!! It's 2022 already, wow! We had so much fun in December talking about baby Jesus and Christmas! It is awesome to continue to see all the infants learning and growing in many ways!

In January, we will be "creating" a Winter Wonderland and "learning" about Polar Animals. We will finish January and start February with a Five Senses theme.

Please remember to change over your child's extra clothing supply as they go into new sizes.

**Happy Birthday** to Stone on the 29<sup>th</sup>!

Zeke will be transitioning to the Toddler Room in January.
